This annual Golf Classic  
is sponsored by  
Vetter Health Services (VHS)  
& The Vetter Foundation

The Vetter Foundation was formed in 1992 by Jack and Eldora Vetter for a twofold purpose: to support the various needs of Christian organizations serving the less fortunate, and to impact and improve the quality of education in health care.

The primary purpose of the Foundation is to provide support for worldwide missions work. The impact of the Foundation can be seen in inner city churches, rural ministries, African villages, and other points of need around the world.

Another purpose of the Vetter Foundation is to sponsor educational opportunities that focus on Christian ethics and principles of service in health care. Seminars are designed to: develop attitudes of service and teamwork, promote people centered leadership principles, and provide people the skills needed to continually improve the quality of life for seniors.

The Vetter Foundation is a 501 (c) (3) charity described in the Internal Revenue Code. Public contributions to the Foundation are encouraged to support these purposes. All donations are tax deductible.
