

## National Nursing Home Week

May 9th kicked off National Nursing Home Week for all facilities across the state. The national theme this year was "Enriching Lives". Our home was transformed into the treasure seeking world of pirates! Main Street became the battleship full of pirates, complete with a marooned rowboat carrying a very unfortunate

scoundrel. The town hall became our paradise oasis where our residents we enjoyed the tiki hut which provided them with all sorts of drinks, ice cream sundaes, and root beer floats throughout the week.

## Volunteer!

If you are looking for a chance to volunteer your time, give us a call concerning our volunteer opportunities! Contact either Kirsten or Collene in our Life Enrichment Department at 443-3737.

## An Interesting Fact to Ponder . . .

In July 1776, the estimated number of people living in the newly independent nation was 2.5 million. (Source: Historical Statistics of the United States; Colonial Times to 1970)

The nation's estimated population this July is 309.6 million.

### ATTENTION RESIDENTS:

Complimentary greeting cards are now available for your use at the front desk! Please stop by the front desk and check out our selection.

The week was jam packed with several events which include the Mother's Day Tea, a week long poker run, several music performances, an antique tractor show and of course several opportunities for our staff and residents to show off their pirate outfits!

National Nursing Home Week was a great time for everyone and provided us the opportunity to carry out lots of special events for our residents who enrich our lives every day!
